Prior to Racing

- Drivers receive a comprehensive safety briefing and full racing gear.

The Race Event

Practice:

- Drivers complete 6 practice laps to get to grips with the Karts and the Track.

Qualifying:

- Drivers will race in 4 x 4 Lap Qualifying Heats
- Drivers start on each position of the grid
- Drivers receive points for finishing positions in each Heat.

Finals:

- The top Drivers proceed to Quarter Finals **
- The top Drivers from the Quarter Finals proceed to two Semi-Finals
- The top 6 Drivers proceed to our 15 lap Grand Final. **

** Quarter final stage is subject to 12+ drivers.

Championship Race

The Championship Race is similar to our Grand Prix race with graded finals instead of knockout stages.

Group Size: 8+

Price: €55pp

Prior to Racing

- Drivers receive a comprehensive safety briefing and full racing gear.

The Race Event

Practice:

- Drivers complete practice 6 laps to get to grips with the Karts and the Track.

Qualifying:

- Drivers will race in 4 x 4 Lap Qualifying Heats
- Drivers start on each position of the grid
- Drivers receive points for finishing positions in each Heat.

Finals:

- Drivers will be split into Graded Finals based on points accumulated in their qualifying heats
- The top Drivers will proceed to the 'A' Final, next set of Drivers proceed to a 'B' final, third set to the 'C' final etc.

The Mini Enduro

Think you got race endurance? Battle it out over two race heats to claim the coveted race trophy.

Group Size: 4 - 7

Price: €55pp

Prior to Racing

- Drivers receive a comprehensive safety briefing and full racing gear.

The Race Event

Practice:

- Drivers complete 6 practice laps to get to grips with the Karts and the Track.

Qualifying:

- Drivers will compete in a 25 lap heat. Points will be awarded for each Drivers final finishing position.
- Drivers will take a short break before returning to the Track for Heat 2, another 25 laps.
- Heat 2's starting grid positions will be the reverse of Heat 1's finishing position.
- Points will be awarded to each Driver for their finishing position in Heat 2.

The F1 Sprint

Record the fastest lap in qualifying to put yourself on pole position for the A final.

Group Size: 6 - 12

Price: €50pp

Prior to Racing

- Drivers receive a comprehensive safety briefing and full racing gear.

The Race Event

Practice:

- Drivers complete 6 practice laps to get to grips with the Karts and the Track.

Qualifying:

- Drivers will race a 25 Lap Qualifying Heat
- The aim is to record the fastest lap within your heat

Finals:

- Drivers will be split into Graded Finals based on their lap time
- The top Drivers will proceed to the 'A' Final, next set of Drivers proceed to a 'B' final, etc.
- The final results are then based on finishing positions rather than fastest lap

Post Race Podium Presentation

- A trophy and race certificates will be presented to the groups top Drivers.
- A summary of the race meeting with Drivers lap times and race results will be provided.
