RACE DESCRIPTIONS

Time Trial Sessions

Who will set the fastest lap?
Test your racing skills by whizzing around 1 of our 3 tracks. Safety briefing, race gear and race report all included.

F1 Sprint

Think you've got the fastest lap and best race skills?
Record the fastest lap in qualifying to put yourself on pole position for the A final.

Mini Enduro

Get to grips with practice first, then battle it out over two 25 lap heats to try and claim the coveted race trophy.

Championship

With multiple winners on the day, our Championship race is suited for our less competitive group. Race through practice and qualifying before entering graded finals. Remember, the A final is better than the C!

Full Grand Prix

Get in Formula 1 mode with the ultimate race event! Compete head to head in practice, qualifying, and knockout phases to become the race champion.
If you're not first, you're last!

KYLEMORE KARTING BY THE NUMBERS

36000 - Our 3 multi-level tracks spawn a whopping 36000 sq. feet. Our unique tracks are filled with flyovers, underpasses, banked corners and hills positioning us as a leader in European Karting.

1992 - Kylemore Karting, Ireland's first indoor karting arena, opened with a rich Irish motorsport background. Our founder Stuart Cosgrave created Ireland's first international race circuit, Mondello Park. Kylemore continues to be a proudly run family business.

363 - Days a year we are open from 10am - Late. We close only on Christmas Day and St. Stephens Day.

200 - Our Sodi Karts are fitted with 200cc Honda engines.

30 - Fully trained race team members to ensure customers have a safe and enjoyable race visit. Our race team have over 85 years of Kylemore Karting experience between them!

137 - All drivers must meet our minimum height restriction of 137cm (4ft 6"). Please note all drivers must be over 9 years old.

4 - Seated viewing areas for spectators to watch all of the exciting track action unfold.

105 - Traffic safety lights and warning flags across our three tracks.

8020 - Tyres expertly fitted into our safety barriers to ensure a safe driving experience.

15 - Multi Screen Speed Screen TV's with race data, top times and more.
